

NORTH AMERICA CENTRAL AREA PLAN

With faith in Jesus Christ, we joyfully walk the covenant path that leads to life eternal, inviting all God's children to join us in the journey.

PRIORITIES

Gather Israel

- Love, share, and invite all to come unto Jesus Christ through His restored gospel
- Search out our ancestors and regularly worship in the temple

Become more holy

- Increase in love of God and neighbor by ministering to one another with pure hearts
- Cherish the sacrament and honor each Sabbath day
- Build lasting conversion through home-centered, Church-supported gospel study

Build faith and spiritual power in the rising generation

- Parents will help their children seek revelation and pursue their sacred purpose
- Parents and leaders will act as loving shepherds, supporting children and youth along their covenant path

We invite each ward and stake to establish goals consistent with the vision and priorities in the Area Plan.
